Cell Phone Policy

To maintain a focused and distraction-free learning environment, the Academy for Urban Scholars has instituted the following cell phone policy:

1. Upon entering the school building, all students must turn in their cell phones. Phones will be secured in a locked box designated for this purpose.
2. Students may not access their cell phones during the school day. Phones will be returned at dismissal.
3. The Academy for Urban Scholars is not liable for any loss, theft, or damage to cell phones while they are secured in the locked box.
4. Students found violating this policy may be subject to disciplinary action in accordance with the school's code of conduct.
5. Parents/guardians who need to contact their child during school hours should call the main office.

By entering the school premises, students and families acknowledge and accept the terms of this policy.
