

CHILD FIND PUBLIC NOTICE

Child Find is the process of identifying, locating, and evaluating all children from age three to twenty-one who may have a disability and in need of special education and related services, regardless of the severity of the disability. The district seeks to identify, through child find, all children in The Academy for Urban Scholars who are enrolled at the school, including those who are homeless or wards of the state who may be in need of special education and related services.

A child with a disability is a child having a cognitive disability (e.g. mental retardation), hearing impairment (including deafness), visual impairment (including blindness), a speech or language impairment, a serious emotional disturbance, an orthopedic impairment, autism, traumatic brain injury, other health impairment, specific learning disability, deaf-blindness, or multiple disabilities.

Parent, relatives, public and private agency employees, and concerned citizens are asked to help The Academy for Urban Scholars find any child who may have a disability and need special education and related services. If you are aware of a child who may have special education related services please contact Mr. Brian Glenn, Special Education Coordinator at 330.719.5829
