Academy for Urban Scholars
Use of ARP IDEA Part B Special Education Funds
October 21, 2021

The Academy for Urban Scholars will use their ARP IDEA Part B Special Education funds to expand and enhance transition services, online curriculum tools, and personalized instruction to address challenges faced by students with disabilities from the impact of the Coronavirus pandemic. More of our students with disabilities have requested career placement support, flexible instructional platforms, and one-on-one instruction. Our students with disabilities are seeking additional supports for time-on-task and academic recovery, especially when their schedules are negatively impacted by the Coronavirus pandemic.

An opportunity for public comment regarding AUS's use of IDEA Part B funds will take place on Wednesday, October 27, 2021, at 5:00 pm at 3405 Market St, Youngstown, Ohio.
