

The Academy for Urban Scholars Notice of State Testing Distribution

August 26, 2019

Dear Parent / Guardian:

Communication with parents/guardians will help them gain a better understanding of their student's academic journey. Parents/Guardians you have the right to request policies regarding your student's participation in state mandated assessments at anytime. In an effort to provide communication in a timely matter please review the below assessment notification plan.

After each assessment the school will provide to the parents/guardians by Direct Mail with assessment results and intervention plans if applicable. Administration will invite parents/guardians to attend a one on one meeting with the support team to review and analyze testing data.

Testing Dates Communication:

- Website
- OneCall System
- Bulletin Boards
