

A Message from the Superintendent

We are aware of the recent incident involving a teacher, and appropriate action was taken immediately. We are cooperating fully with law enforcement and the ongoing investigation.

Counseling and assistance have been provided to the student and family directly impacted, and those services remain available to all students and families as needed.

For more than a decade, the Academy for Urban Scholars High School has provided meaningful educational opportunities to both youth and adults. We've helped thousands of individuals and families take steps toward self-sufficiency through academic achievement, mentorship, and career-focused learning. With a proven track record of helping people overcome challenges and reach their goals, AUS High School continues to be a trusted institution in the community. No matter your age or circumstance, we believe it's never too late to pursue your education and create a better future.

Sabrina Jones
