2025 - 2026 Report Card for

The Academy for Urban Scholars

Schools that receive the dropout prevention and recovery report card receive ratings for up to eight measures and four components.

Achievement Component

Does Not Meet Standards

The Achievement component, previously called the High School Test Passage Rate component, represents the number of students who meet applicable criteria on assessments that are required for graduation.

Progress

Exceeds Standards

The Progress component looks closely at the growth all students are making during the school year.

Graduation Rate

Exceeds Standards

The Graduation Rate component looks at the percent of students who are successfully finishing high school with a diploma in four, five, six, seven, or eight years.

Graduation Rates

A Graduation rate is not calculated if there are not at least 10 students in the graduating class

63.7% of students graduated in 4 years

68.4% of students graduated in 5 years

66.9% of students graduated in 6 years

66.9% of students graduated in 7 years

66.9% of students graduated in 8 years

66.7% is the weighted average of all graduation rates.

Gap Closing

This component shows how well schools are improving or meeting the performance expectations for all students in English language arts, math, graduation, and English language proficiency.
